Kindergarten snapshot: Great turn out, great way to get parents aware of what the students need to be at before kindergarten. Each student left with a packet of tools to help them be "ready" for their upcoming year. Aides: More aide time in the classroom, along with our music teacher and PE teacher, library time during the summer. \$98,000

What do we want to do for next year: Survey will be sent to teachers.
Community council will discuss where to use the trust land funds.

Bus situation is doing much better with having the buses there
AR: is it attainable? What can we do to make it better? Great system, but there are some things to improve it. How can we change it?
